Welcome!

Charming, historic downtown Pleasanton, California is an enjoyable place to shop, dine and meet friends in the heart of the city.

Downtown will greet you with unexpected finds and uncommon treasures. The pedestrian-friendly, tree-lined streets offer a vibrant blend of parks and historic buildings, specialty shops and service businesses, fine dining and coffee shops.

Indeed, life in downtown Pleasanton, California is a celebration. It is most evident during the many festivals and events that bring our streets alive throughout the year. Enjoy an array of fine wines from the Tri-Valley area as you explore the downtown at our evening Wine Strolls. Join friends every Friday night, June through September for our popular Concerts in the Park. The 1st Wednesday Street Parties, held May through September are a wonderful family event. Spend the evening strolling down Main Street as you visit over 150 vendors, unique shops and award winning restaurants. Buy fresh produce, flowers and more at our year-round Farmers Market every Saturday from 9 am - 1 pm.
